Personal Data may be collected verbally, in writing and/or electronically, through requests or by submitting the necessary information and documents yourself. Personal Data is collected and stored in written and/or electronic form.

4. HOW WE CAN PASS ON PERSONAL DATA

We pay special attention to the privacy and protection of your Personal Data. The information you provide will be kept confidential and will not be passed on to third parties, except for the performance or provision of the service(s) and as required by law.

The user agrees that the Company has the right to pass on users' Personal Data to suppliers - solely to perform the relevant service.

We may disclose your Personal Data if required to do so by law or to comply with a legal obligation or if we believe that such action is necessary to: investigate, respond to and defend against claims; if necessary in legal proceedings (including subpoena) to protect the rights and property of the Company or third parties; to prevent the potential occurrence of liability; for public safety or the safety of individuals; to prevent or stop any illegal, unethical, fraudulent, abusive or other activities that may have negative legal consequences; for the integrity and security of the Website and/or Application, our Services, any equipment used in the operation of the Website and/or Application in providing Services; to comply with applicable law.

5. HOW WE STORE AND PROTECT YOUR PERSONAL DATA

Protecting your Personal Data is extremely important to us, so we take all necessary steps to take so. We store users' Personal Data in a secure environment. Your Personal Data is protected from unauthorized access, disclosure, use, alteration or destruction.

The Company monitors the security measures taken on an ongoing basis.

We will store your Personal Data for as long as is necessary to allow you access to the Site and/or to fulfil our legal obligations (fulfilment of your orders and services, tax and financial reporting), resolving disputes and complying with our policies.

The storage period is determined by the type of information collected and the purpose for which it was collected, depending on the situation and the need to remove outdated or unnecessary information as soon as possible.

If you stop using the Website and/or Application and our Services by deleting your account on the Website and/or Application, your Personal Data will also be automatically deleted (unless we are obliged to store such data to comply with statutory obligations).

6. YOUR RIGHTS

Concerning your Personal Data, you have the right:

- at any time to contact the Personal Data controller with any questions or complaints about the processing of Personal Data, and to ask whether your Personal Data is being processed and about the content of such Personal Data;

- to access your Personal Data free of charge;

- at any time to request the Personal Data controller to cancel or limit the processing of Personal Data and to request that Personal Data be amended if it is inaccurate or no longer relevant;

- at any time to ask the owner of the Personal Data to delete the Personal Data insofar as it is no longer necessary for the purposes specified in this notice or for other purposes for which the owner of the Personal Data needs to continue processing it, or when the owner of the Personal Data no longer has the legal right to process it;

- to withdraw your consent to the processing of Personal Data at any time;

- to file complaints about the processing of Personal Data;

- to know the sources of collection, the location of Personal Data, the purpose of its processing, the location of the Personal Data controller or disposer, or give an appropriate instruction to obtain this information to persons authorized by them, except in cases established by law;

- to receive information on the conditions of access to Personal Data, including information on third parties to whom Personal Data is transferred;

- to make a reasoned request to the owner objecting to the processing of his/her Personal Data;

- to protect Personal Data against unlawful processing and accidental loss, destruction, damage due to deliberate concealment, failure to provide or untimely provision, as well as to protect against providing information that is inaccurate or that defames the honour, dignity and business reputation of a natural person;

- to apply legal remedies in the event of a breach of Personal Data protection legislation;

- to make reservations about the right to restrict the processing of one's Personal Data at the time of giving consent;

- to know the mechanism of automatic processing of Personal Data;

- to be protected against an automated decision that has legal consequences for him or her.

If you would like to exercise any of the above rights or would like further information, please contact us at the details below in this Privacy Policy.

Please note, however, that these rights are not absolute and may be somewhat limited by regulatory requirements and our legitimate interests.

To respond to your request, we need to identify you so that your information is not shared with an unauthorized person.

The Company must provide you with information within ten days of receiving your request about the action taken to your request. The time limit for providing a final response to your request is up to 30 days from receipt of the request. However, for third parties responding to an enquiry, the time limit may be extended to 45 days from receipt of the enquiry.

If you become aware that someone has unlawfully provided us with your Personal Data, please notify us as soon as possible by using the contact details provided in this Privacy Policy. Upon your request, we will delete your Personal Data as soon as possible, but in any event no later than one month after we receive your request. We will only store such copies of the information as may be necessary for us to comply with the requirements of Law for such cases.

In addition, you may amend (update, supplement or delete) the Personal Data you have provided at any time via your account (if you are a registered user of the Website and/or Application) or by contacting us with a request.

7. CHILDREN

We understand how important it is to take additional measures to protect the privacy and safety of children using the Site. Children under the age of 18 years are not allowed to use our Website and/or Application and receive our Services unless their parents have given their consent, which must be supported by appropriate evidence. We do not purposefully collect Personal Data from children under the age of 18 years. If we learn that we have received Personal Data of a child under the age of 18 years, other than in the above circumstances, we will take all necessary steps to delete such information as soon as possible, only if we are not required to store such information to comply with legal requirements.

8. UPDATING THIS PRIVACY POLICY

Each time we make changes to this Privacy Policy the new version will be available on the Website and in the Application marked "New Version of ...".

You will have access to the revised Privacy Policy from the day it takes effect, so you will have time to decide whether to continue using the site and to raise objections to changes in the processing of your Personal Data. A draft of a new Privacy Policy may be published in advance.

9. RIGHTS OF THIRD PARTIES

To ensure its obligations to users, the Company may transmit user data to Providers and vice versa, but only to the extent necessary to perform the relevant Services, which are carried out on the Website and/or in the Application.

10. QUESTIONS AND COMPLAINTS

If you have any questions, concerns or complaints about our methods of collecting and processing your Personal Data, or if you have any suggestions or questions about this Privacy Policy, please contact us:
